Soluble Pacific Guano.

200 LBS. SOLUBLE PACIFIC GUANO
contains 70 lbs. animal matter, yielding
2 to 8 lbs. ammonia.

Also 200 lbs. earthy bone Phosphate of lime,
which are soluble phosphates.

I combine all the advantages of the best
brands of Super Phosphate, with those of Pe-
ruvian Guano.

By reason of its greater concentration, we re-
commend 20 per cent. by weight to be used
per acre, than of any fertilizer costing the
same per ton; and no more per acre than of
those selling at 20 per cent. more per ton—
Hence its economy.

This guano weighs 65 lbs. per bushel, hence
in applying it farmers must be governed by
weight and not by bulk, for it is much lighter
than the Super Phosphates. Every cargo duly
inspected.

JOHNSON, CLYMER,

4 WHITE MAN'S GOVERNMENT!

DEMOCRATIC WOODS MEETING,

The friends of Johnson, Giver the Union, Constitution and a White Man's Government, will hold a GRAND MASS MEETING, in the large and beautiful grove belonging to Daniel Goiselman Esq., on the banks of the Little Conawago, in Union Township, Adams county, on the Gettysburg and Hanover road, about three miles from the latter place.

On Saturday, the 15th day of September, 1862.

All who favor the sound Union policy of Andrew Johnson, and oppose the ne'er-do-well of Thad Stevens and his followers, are urged to rally in force to the meeting. All speakers will be present.

Hon. RICHARD VAUX of Philadelphia, Hon. J. S. BLACK, JOHN GIBSON, Esq., and Col. MAISI, of York; Hon. J. McDOWELL SHARPE and F. M. KIMMELL, of Chambersburg; and Hon. MOSES McCLEAN and E. B. GECHLER, Esq., of Gettysburg, have been invited—and several of them have already accepted.

At 10 o'clock, the meeting will commence at 10 o'clock. All Provisions and Horse feed can be had on the ground.

The Democrats and Conservatives of Adams and surrounding counties are cordially invited to attend. LET THERE BE A GRAND OUTPOURING OF THE MASSES!

COS. OF ARRANGEMENTS.

Sept. 3, 1862.

A letter received from Mr. Vaux, on Friday evening, says: "You may rest assured that nothing but illness will prevent my accepting your invitation for the 15th of September."

MEETING AT GRAFFENBERG.

The friends of Johnson and Clymer will hold a meeting at GRAFFENBERG SPRINGS, in Franklin township, near the Union Pacific Railroad, on SATURDAY EVENING NEXT, Sept. 8th. A number of speakers from the two counties will be present. Let the friends of the Union and a White Man's Government in the Upper End rally to a man!

Sept. 3, 1862.

Mr. Sharp will certainly speak at the Graffenberg meeting.

THEIR BOOK IS SEALED.

There is evidently great trepidation in the Radical ranks all over the country. They begin to see the hand-writing on the wall—hence the insatiate appeal of their press, not only here in Pennsylvania, but throughout the entire N.Y.—N.J. The National Union Convention is a great source of trouble, and they are resorting to all possible means to counteract the happy effect it has already had on the public mind. And, as if to verify the truth of the old adage that "misfortunes never come single," they are now preplexed beyond measure at the call made by a large number of the army officers—the fighting Generals of the war—for a Soldier's Convention to be held at Cleveland, on the 17th of September, to sustain President Johnson in his patriotic efforts for a restoration of the District of Columbia—and this act was never more timely, united, and that thousands and tens of thousands of conservative Republicans are joining heart and hand with them to crush out of existence the Radical faction which has driven the Nation to the very verge of bankruptcy, anarchy and destruction.

All this is so apparent that Greeley mourns over the gloomy prospect for his party. Forney raves like a bedlamite, and is ready to call upon the mountains to fall upon and hide him from the stern gaze of an insulted and betrayed people. The best Butler froths and foams at the thought of the fearful retribution which awaits him, and Stevens, in his wrath and malignity, vents his spleen on the foreign population who cannot be induced to swallow the negro. In the mean time the conservative element of the country is hourly gaining strength and eminence, and by the time the election arrives, its force and momentum will be irresistible, and the halls of Congress will be purged of the traitors and disunionists who have for too long a time been permitted to lord and tyrannize over this godly heritage of our fathers.

Their doom is sealed. Belshazzar-like, the leaders of the Radical party are trembling with fear. Their cohorts are becoming more and more demoralized—the light of truth is breaking in upon the country, and dispelling the dark cloud of error and superstition. The people are aroused to a sense of their danger, and they are determined that the Union and the Constitution shall be preserved, and that the enemies of both shall be put down. It is the consciousness of all this that has struck terror into the Radical camp, and caused the trepidation and alarm which is apparent in all the writings and speeches of disunited leaders.

Our Democrats, we have the vanquished ground; the day is our own. The Radicals have become as foul-mouthed and unscrupulous in their hostility to President Johnson as were the same classes of men to President Jackson in 1828 and 1832. They will fail now as they failed then, because they have the same kind of an "Old Hickory" to deal with.

The Geary meeting at Reading fell short of expectations. Nearly all those in attendance were from abroad. Old Berk responding very feebly. The "military glory" of the occasion centered in John W. Geary and John L. Burns.

The Washington Constitutional Union says it has been definitely arranged that the test of genuine support of the President's policy in Pennsylvania, will be the support of Hester Clymer—he endorsing that policy, and Geary opposing it.

Col. Wm. C. Talley, who commanded the First Pa. Reserve Regiment, (which contained a company from this county,) has been appointed Collector of Internal Revenue for the 7th District of Pennsylvania, in place of a Radical. President Johnson stands by the soldiers.

Another!—Capt. John S. Forrest, Johnson Republican, has been appointed Postmaster at Hanover, in place of W. F. Stair, Radical.

The Radicals of Philadelphia, who used to pretend such great love for the soldiers, wouldn't turn out on Tuesday to manifest any respect for Grant and Farragut. Reason—Grant and Farragut are for the Union.

Mr. Holbrook, the Democratic candidate for Delegate to Congress from Idaho, will have 500 majority, says a dispatch from San Francisco. Good!

The Harrisburg Patriot & Union counts upon a certain gain of six Democratic members of Congress in this State, with a chance for one or two more.

The Washington Constitutional Union says it has been definitely arranged that the test of genuine support of the President's policy in Pennsylvania, will be the support of Hester Clymer—he endorsing that policy, and Geary opposing it.

In their desperation, caused by the fear of being beaten at the polls, the Radicals have become as foul-mouthed and unscrupulous in their hostility to President Johnson as were the same classes of men to President Jackson in 1828 and 1832. They will fail now as they failed then, because they have the same kind of an "Old Hickory" to deal with.

They will fail now as they failed then, because they have the same kind of an "Old Hickory" to deal with.

STRANGE "REBELS!"

The Radical press and orators are in the habit of denouncing the great National Union Convention at Philadelphia, on the 14th of August, as a gathering of "copperheads" and "rebels," to whose doings no weight should be given. The following, from the New York Times, will show what sort of "rebels" some of the delegates were:

A noticeable feature in the great National Convention was the large number of prominent general officers of the Federal army during the late war. There was Steadman—and who, seeing him rise in the Convention, but remembered him as the soldier who won the battle of Chickamauga, where Steadman stood unwavering among the most tried and valued of the lieutenants of Thomas? There was Custer—how the nation loves and adores him! Custer—the synonym of dash, gallantry and unfaltering fidelity. Said Sheridan, on one of the days before Custer: "Custer, I wish you would take a regiment and clean those fellows out." Those fellows were a brigade of the enemy half a mile away upon the left. Custer looked at his watch, estimated mentally the distance, and said: "General, it shall be done in twenty minutes." In twenty minutes it was done. That was Custer. There was Rousseau—we all remember him, the gallant soldier, the steadfast patriot, who rode the Union battle-line through scores of conflicts. There was Crawford, a division commander in the Army of the Potomac from the Wilderness to Appomattox. There were McDowell, McCook, from first to last, throughout the war, of the cause of the Union, and holding high command. To these could be added scores of others, of lesser renown, perhaps, but not less faithful soldiers of the Republic.

Strange "rebels," these!

The old Whig army at Washington, the National Telegrapher, states by authority that "Generals Grant, Meade, Sherman, Hancock, Crawford, Sheridan and others are enthusiastic in their support of President Johnson, and endorse his policy and his views. The officers of the navy—a man are with the President.

Through New Jersey the President was received with the warmest enthusiasm, and in the city of New York every possible honor was paid him. The military and citizens turned out in immense force, and in the evening there was a grand banquet and a serenade. The President spoke frequently in response to the calls of the people, on all occasions asserting his faith in the thorough restoration of the Union under the Constitution, and his determination to stand by them under any and all circumstances. On several occasions he thoroughly exposed the disunited designs of the Radicals, and urged the people to frustrate those designs at the polls.

On Thursday the party started for Chicago, and were warmly received at all points along the route. President Johnson is daily winning more and more over popular esteem and support.

PRESIDENT JOHNSON GOES TO CHICAGO.

His Reception Among the Batta—The People Extravagantly in Honoring "the People's Friend."

On Tuesday morning, President Johnson, accompanied by General Grant, Admiral Farragut, Secretary Seward, Secretary McCulloch, Secretary Welles, Postmaster General Randall, Attorney General Stanbury, Senator Patterson, Major General King, Major General President General General McCallum, and others, left Washington, en route for Chicago, to assist at the laying of the corner-stone of the Douglas Monument.

They were met at Annapolis Junction by Gov. Swann and staff, and at Camden Depot by the Mayor and a committee of prominent citizens of Baltimore, and escorted through the city to the Philadelphia Depot. They were received with distinguished honors along the route to Philadelphia, and in that city a grand ovation awaited them. The Radical Mayor and City Councils meandy refused an official reception to the President.

The trial course has been much improved by grading, &c., and the entire establishment will be thoroughly brushed up by the time of the Fair. An unusually large attendance is looked for, and preparations will be made accordingly.

MARY'S CHURCH.—Mary's Church, (German Reformed,) in Mountjoy township, having undergone alterations and repairs, will be re-opened for worship on Sunday next, at 10 o'clock, A. M. Exercises appropriate to the occasion will be had.

This Church is among the oldest yet standing in the county, having been erected in 1789. The preacher in charge at that time was Rev. George Troldenter—and the following are the names signed to the original constitution: John Tawney, Samuel Fry, David Little, George Heagy, Nicholas Marks, John Mayer, Francis Stallsmith, Michael Hoke, Peter Moritz, Daniel Heck, Andrew Little, Philip Schleit, George Fehl, Andrew Eshelbach, Michael Moritz, John Heagy, Samuel Huf, John Troxel, Jacob Klein, Jacob Baumerger, Jacob Wirth, Adam Taynew, John Miller, John Rohrbach, Michael Frey, Justus Frotnau, Henry Fourer, Jacob Troxel. The first child baptized was Samuel Bernheisel, Nov. 5th, 1789.

The re-opening services will be of a peculiar interesting character, and will have reference, to some extent, to the early building of the edifice. A large concourse of people will no doubt be attracted.

PIC NIC.—The German Pic Nic announced for Wednesday at Wolf's Spring, was, on account of the rain on that day, postponed until Thursday, when it came off—and a grand success it was. Our German friends of town and neighborhood were nearly or quite all there, whilst a large number of "outsiders" also attended. Visiting the ground in the afternoon, we found enjoyment reigning everywhere. A fine band of music and a good dancing floor had been secured, and this combination became, of course, the centre of attraction. Other amusements were had—beside an interesting game of base ball in the field adjoining. The Germans "can't be beat" in getting pleasure occasions, and their success on Thursday will doubtless lead to many of a similar character hereafter. The Gettysburg Band, under Prof. Gundrum, was a delightful feature of the Pic Nic.

THE AX FALLING!

The Radical Postmaster at Lancaster has been removed. So have the Radical Collector and Assessor of that district. Many other removals are announced in this and other States.

The work of decapitation now so fairly begun, will doubtless be pushed forward with vigor. The President has borne long and patiently with the faithlessness to the Union of the men who have been fattening on the spoils of office for the last five years, but he can do no longer. Those who are not "loyal" to the whole Union, should not hold any of its offices. Place and power are only safe in the hands of those who "support the Government."

Strange "rebels," these!

It is safe to say that fully nine-tenths of the officers of the Army, and all of the Navy, are openly and heartily with President Johnson. Those against him are military pretenders like Banks, Butler, Shurz and Geary. Should not the whole country, and especially the "boys in blue," (who fought for the Union, not for the negro,) make a note of these significant facts—facts which should be overwhelming against Radicalism.

THE REAL ISSUE.

The aim of the Radicals is to pull "wool over the people's eyes"—to deceive them in every possible way, not stopping at any falsehood, however base-faced or infamous. In pursuance of this game, they are now raising the cry "deny it as Radicalism may—and they have no stomach for such disgusting offices."

The negro Radicals hereabouts resorting to some very "small" tricks—among the rest, that of starting reports that this or that prominent Democrat will not vote for one or another of the candidates upon the Democratic ticket. This is done to inspire hope among their own followers, and produce the opposite effect among Democrats.

We allude to the matter only to put our friends throughout the country on their guard against this and all other Radical falsehoods. Rarely has a Democratic ticket been better received than the one now before the people of Adams county, and never before had Democrats stronger reasons to stick to their ticket—than in these freeman-a-bureau-and-negro-rights times.

Democrats understand that to vote for a Radical candidate is to endorse negritude (deny it as Radicalism may)—and they

have no stomach for such disgusting offices.

The negro Radicals hereabouts pretend that negro suffrage is not in issue. They asserted the same thing last fall—McConaughay declared it upon the stump, and everywhere else—and yet upon being hoisted up into the Senate, he found the issue there, and met it by squarely voting for negro suffrage in the District of Columbia! Honest men, make your own comments.

Col. Wm. C. Talley, who commanded the First Pa. Reserve Regiment, (which contained a company from this county,) has been appointed Collector of Internal Revenue for the 7th District of Pennsylvania, in place of a Radical. President Johnson stands by the soldiers.

Another!—Capt. John S. Forrest, Johnson Republican, has been appointed Postmaster at Hanover, in place of W. F. Stair, Radical.

The Radicals of Philadelphia, who used to pretend such great love for the soldiers, wouldn't turn out on Tuesday to manifest any respect for Grant and Farragut. Reason—Grant and Farragut are for the Union.

Mr. Holbrook, the Democratic candidate for Delegate to Congress from Idaho, will have 500 majority, says a dispatch from San Francisco. Good!

When the Radicals say "Only loyal men shall rule!" they mean such disunionists as Thad Stevens, Wendell Phillips, and their array of followers, white and black. And when they proclaim "No more rebel raids upon the Treasury!" they mean that the PEOPLE'S MONEY shall continue to be expended in feeding idle negroes, and in further enriching such "loyal" chaps as Forney, McPherson, and others holding fat offices under Congress. "Loyalty" has been paying some people, and hence their desperate struggles to hold on to the public "teat." But to give them longer rule would be to plunge the country into irretrievable ruin.

The Harrisburg Patriot & Union counts upon a certain gain of six Democratic members of Congress in this State, with a chance for one or two more.

The Washington Constitutional Union says it has been definitely arranged that the test of genuine support of the President's policy in Pennsylvania, will be the support of Hester Clymer—he endorsing that policy, and Geary opposing it.

In their desperation, caused by the fear of being beaten at the polls, the Radicals have become as foul-mouthed and unscrupulous in their hostility to President Johnson as were the same classes of men to President Jackson in 1828 and 1832. They will fail then, because they have the same kind of an "Old Hickory" to deal with.

The Geary meeting at Reading fell short of expectations. Nearly all those in attendance were from abroad. Old Berk responding very feebly. The "military glory" of the occasion centered in John W. Geary and John L. Burns.

The Great Bone Fertilizer.

B. AUGUSTUS RAW BONE PHOSPHATE, containing 53 per cent. of Phosphate of Lime, and 4.6 per cent. Ammonia.

It should be born in mind that the Phosphate of Lime in this article being obtained exclusively from RAW BONES and a TRUE BIRD GUANO, there is NO PORTION of it INOPERATIVE, as in the case of SCUPPHOPHATES made from MINERAL CANALS—outbeing the phosphate in the Soil, containing IMPART IT FERTILIZING qualities to the CROPS FOR YEARS.

THE REMARKABLE SUCCESS which has attended its use for years past, is a sufficient GUARANTY to induce those who have not tried it to do so.

The GRAIN CROP where this FERTILIZER has been applied is supposed to have been INCREASED from 25 to 50 per cent. by its use, while for TOBACCO and GRASS LANDS its success has been EQUALLY DECIDED.
